

# **ADVENTURES in MATH and SCIENCE**

## **A Math and Science Conference For Students in Grades 3-10**

**Presented by:  
Conejo Valley Unified School District  
Dr. Linda Calvin and Mrs. Lisa Dritz**

Learn how Math and Science can explain and demystify our world by gathering and analyzing data. Come explore the natural world, anthropology, medicine, engineering, astronomy and space, probability, technology, physics, even the stock market and supernatural phenomena. The “Adventures” conference is designed for students in grades 3-10. It includes a variety of hands-on workshops presented by experts.

**\$ 45.00 Registration Fee** includes lab fees, materials, a special lunch time presentation and pizza lunch. Pre registration is encouraged.

**Saturday, November 15, 2008  
8:15 a.m. to 2:10 p.m.**
