

**Tri-County GATE Council,
an affiliate of the California Association for the Gifted,
presents:**

Dr. Barbara Clark

Back by popular demand...Dr. Barbara Clark will speak
at the Tri-County GATE Council meeting

She will share the most recent research on the brain and its implications for gifted education. She will also address the unique characteristics of the adolescent brain.

Barbara Clark is a Professor Emeritus, California State University, Los Angeles and the author of the widely used text, *Growing up Gifted*, now in its seventh edition. She is a past president of the World Council for Gifted and Talented Children, the National Association for Gifted Children, and the California Association for the Gifted. She is a recognized scholar and has presented major addresses and workshops throughout the United States and the world.

Friday, January 8, 2010

10:15 a.m. - Noon

**Ventura Education Center
255 W. Stanley
Ventura, California**

Please RSVP Aleta Lepper – Aleta.Lepper@venturausd.org or mgray@sbceo.org be sure to put Ventura unified in the subject line or your email may get bounced back.

Directions:

Take Highway 33 toward Ojai. Take the Stanley Street exit; turn right, the offices are located at 255 West Stanley. If you reach the light at Olive St., you have gone too far. The offices are just before Olive on the left. There is a left turn lane just before the light at Olive. As you enter, the offices are to your left; as you reach the circular drive, there is a visitor's lot. There will be signs directing you to the meeting room.
